They played at the Memorial Recreation Ground in West Ham. They finished eighth in their first season and fifth in 2017-18, before successfully applying to join the new Division One South of the Eastern Counties Football League for the 2018-19 and 2019-2020 season which the club finished 1<sup>st</sup> by points-per-game basis.

Athletic Newham Football Club represents the Newham Community and now runs many community teams such as: U18s, Ladies and Vets.

# **Today we welcome our opposition**

## **A Brief History of Wormley Rovers F.C.**

Wormley Football Club was originally formed in 1921 playing its home matches on land donated by Joseph Rochford & Sons, at that time a big name in horticulture as well as being an employer of a large percentage of the local population. The Club was reformed in 1947 after the 2<sup>nd</sup> World War, moving to its present ground at Wormley Playing Fields, in Church Lane in 1954.

During the late 1940's, 50's and early 60's the Club was a major force in Junior Football, frequently embarrassing more senior opposition during that period. The late 1960's, and early 70's saw a decline in fortune, however, this was redressed and by 1975 the Club had progressed to join the Herts Senior County League, where they currently have two teams performing; the first team in the Premier and the Reserves in Division 2. Despite a few near misses over the years the First team have never managed to lift the Premier Division title. The highlight for the Reserve team was winning the Division 1 Reserve title in 1998-99 dropping only four points in the process.

Since stepping up to the Herts Senior County League, the Club formed a successful Youth Section in 1975, with a number of players going on to play in professional ranks. David Bentley, Arsenal, Blackburn & Spurs began his football career with Wormley Youth as did Charlie Lee, Peterborough, Gillingham and currently Stevenage.

The next step was the addition of a flourishing and successful Vets section in 1984. In line with League requirements, a fixed post and rail was installed in 1990, floodlights were added in 1994, and the brick built dugouts in 1996.
