Welcome to the Terence McMillan Stadium - the home of Athletic Newham Football Club

We would like to welcome all our match officials and our opponents along with all their supporters to this afternoon of football.

Club History

Athletic Newham FC was founded in 2015 as a youth team, then known as Lopes Tavares London FC, before moving into adult football the following season, joining the Premier Division of the Essex Alliance Football League. They played at the Memorial Recreation Ground in West Ham. They finished eighth in their first season and fifth in 2017-18, before successfully applying to join the new Division One South of the Eastern Counties Football League for the 2018-19 and 2019-2020 season which the club finished second.

Athletic Newham Football Club represents the Newham Community and now runs many community teams such as: U18s, Ladies and Vets.

Our community is our strength. No club of any sporting interest can withstand the test of time without the support of its members and their families.

Today we welcome our opposition

A Brief History of Hackney Wick FC

Bobby Kasanga founded Hackney Wick Football Club in 2015; Hackney's first ever semi-professional football club in nearly a century.

We are not your regular football club, as our ethos is based upon community engagement and uniting the local diverse groups as well as battling peer pressure and tackling gang influences. There is a pathway of progression through the club from Community Youth Teams to Academy Youth Teams, through to our Men's First Team and our Ladies Team and lastly our veteran Allstars Team. We engage over 180 youths and adults through our training, fitness and football matches.

We do this by offering educational workshops, sporting opportunities, mentoring and access to work routes which would actively engage with those already involved in gangs, those on the brink of gang life and those who might not be aware of the threats out there (as a safeguarding tool).

We are a community club whose members and players volunteer our services for free to the Hackney community. Be it providing free football coaching or helping out at various events our members come along and support. We will offer training, employment and community projects which promote health and well-being as well as community safety.

This project is a collaborative effort between Hackney Wick Football Club and our backers which include some local businesses who are passionate about their local community and want to make and see a difference.

Hackney was 1 of only a few areas without a professional or semi-professional club, so this has captured the borough's attention, including local businesses and media. Hackney is a huge catchment area with the potential to generate thousands of fans for a borough led team.

In recent months we volunteered at Abney Park for their 175 years anniversary, Run Hackney Marathon, Hackney Wicked Festival, Den City, Refugee Camps in France, Hackney Wick Women's Institute, Fairtrade Foundation, Hackney Quest, Wick Award, Hackney Museum, homeless shelters, Scope charity and created & hosted the 32 Borough Cup and The Hackney Cup for Health.
